

LEARNING BEYOND CLASSROOM WALLS at *Cherie Hearts Kids-At-Play* (Thomson)

Our Children Experience Nature and Outdoor Play

Learning is not just confined to the classroom for children at **Cherie Hearts Kids-At-Play**. Opportunities abound for outdoor play and nature appreciation with our spacious garden and MacRitchie Reservoir Park, which is a stone's throw away from our Centre.

Through our holistic and engaging programmes, and in purposeful partnership with parents, our infants and pre-schoolers from 2 months to 6 years old are nurtured in five fundamental growth areas – Physical, Intellectual, Emotional, Social, and Language (PIESL).
